

Long-Range Gate Opening System

The Ultimate Convenience

Our long-range gate opening system offers homeowners unparalleled convenience by eliminating the need to physically approach the gate. With a simple push of a button on a fob (E-TX), homeowners can effortlessly open or close their gates from the comfort of their homes. This feature is particularly useful during inclement weather, late-night arrivals, or when in a hurry.

With the ability to open gates from up to a range of 350 metres (450/500 metres options). Homeowners can enjoy the ultimate convenience and peace of mind, knowing that their property is secure and easily accessible.
