

CELLCOM

Simple, Effective GSM Intercom

lite

The Cellcom Lite is a simple audio GSM Intercom. It is a scaled-back version in terms of features and price without compromising on quality and function.

Never miss a visitor with mobile calling. This intercom calls your home phone/mobile on roll-over when the visitor presses the call button. Works with our AESIM Nano SIM card.

The Lite system works with our user friendly AES LITE APP. With Installer and homeowner capabilities. Available on android and ios.

Works with our multi network AESIM.
