

LBX

Protect your entrance and your mail.

Access Control - gates/door entry, speak to your callers etc

Can be pedestal or wall mounted.

Available in GSM & IP/4G Technologies.

The LBX, an all-in-one innovative solution for property exteriors.

The LBX is designed to provide a simple and modern solution to property access and traditional postal requirements. Pairing a modern design with the functionality of our intercoms, the LBX is a great option to declutter your property's exterior.

The LBX is available with Prime7 and the IP/4G Praetorian Guard. Choose which functions/features you need as with any AES Global intercom and have the added functionality of a traditional letter box.
